

A PRAYER IN UNION WITH CREATION

All-powerful God, You are present in the whole universe and in the smallest of your creatures. We thank You for being with us each day. Encourage us in our struggle for justice and love and peace. Pour out upon us the power of Your love, bring healing to our lives that we may **protect life and sow beauty, not pollution and destruction** . We ask this through our Lord Jesus Christ, Your Son, Who lives and reigns with You and the Holy Spirit, One God forever and ever. Amen.

Laudato si by Pope Francis, 2015

Pope Francis @Pontifex · Jun 18

The earth, our home, is beginning to look more and more like an immense pile of filth.
