

# LUPUS ROADSHOW in The Heart of the Philippines

Iloilo Mission Hospital Department of Internal Medicine  
*in partnership with* Iloilo Medical Society  
November 18, 2017

**I**t was indeed a great opportunity for the Ilonggo physician's to be part of the recently conducted Lupus Academy Meeting. The event was held at Iloilo Mission Hospital's Conference room, which was attended by 180 registered participants.

The event was opened by Dr. Elmer Q. Pedregosa, the Hospital Director of Iloilo Mission Hospital. The morning lectures were very interesting and participants were very much eager to listen to updated topics on lupus signature and bioprofiling by Dr. Juan Javier Lichaoco, clinical- laboratory correlations by Dr. Leonid Zamora and updates in the management of lupus nephritis by Dr. Michael Thomas Salvador.

A video cast was also shown which centered on the topics of Targeting Interferon Pathway in SLE by Dr. Richard Furie of USA and Atherosclerosis in SLE by Dr. Bevra Hahn which was summarized by Dr. Helmar Soldevilla and Dr. Jovie Gerona respectively.

After a fulfilling refreshments, participants were distributed according to their pre-selected workshops of 1. Infections in SLE which was presented by Dr. Maricar Bayo-ang, moderated by Dr. Leonid Zamora, 2. Lupus mimics which was presented by Dr. Ritchelle Joy Bayson, and Dr. Nida Ferrer as moderator and 3. Up close and personal with lupus RA patients presented by Dr. Helmar Soldevilla and moderated by Dr. Roger Dulos. Participants learned and enjoyed from the workshops they attended.
